REGISTRATION OPEN

EARLY BIRD PRICES TO END APRIL 15TH

ST. JOSEPH - Rotarians took to the streets in towns all over District 6360 to rejoice the

opening of District 6360 Conference registration. Said one anonymous Rotarian, 'This is more exciting than the Presidential elections!' Other Rotarians refrained from making stupid remarks, and just went to the website to register.

All registration is made on the website (see adjoining article) for the world renowned conference to be held May 16-19, 2008.

Website Wins Gov's Award

AP: The District 6360 website has won the Governor's award for Best District Conference website for 2008. The Website is at www.districtconference.com.

When confronted with making the award, District Governor Dick Sammis acknowledged a possible 4 way test problem since he helped design the site, along with Konstantin Bock, former Youth Exchange student. Sammis promised to appoint a committee to investigate the charges.
